

## FREE NEVADA INDUSTRY EXCELLENCE BUSINESS LEADER PRESENTATION – MARCH 24

Join Nevada Industry Excellence Affiliate Doug Anton March 24 for a business leader presentation. This talk discusses the high-level aspects of leading an organization into a continuous improvement operating philosophy. This is not a sales presentation. There is no cost to attend.

### **Executive Leadership for Successful Lean Enterprise – Double Digit improvement in quality, lead-time and cost effectiveness.**

This presentation focuses on providing clear and succinct details of the dramatic improvements possible with lean and how to accomplish the task. Beginning with Doug's first efforts at a Carson City manufacturer in 1986 and continuing through 17 years as a consultant working with small companies, he's learned common traits of executives and owners that bring about successful lean transformation.

The content is specifically designed for Business Leaders. The focus is on strategy and tactics, not lean techniques. Discover what amazing performance improvements can happen and your specific role in an exciting and dynamic process.
